SUSTAINABILITY REPORTING MASTERCLASS

21 JUNE 2024 | 9.00AM - 1.15PM

MyCoID:765264K

HRD CORP REGISTERED COURSE/PROGRAMME NO: 10001416597

PROGRAMME OVERVIEW

In the contemporary landscape of corporate accountability and sustainable business practices, sustainability reporting plays a pivotal role in shaping transparency and accountability standards. By highlighting the significance of transparent disclosure, active stakeholder engagement, and sustainable decision-making, organisations are propelled towards increased accountability and creation of long-term value. The integration of both global and local reporting frameworks hence becomes indispensable, in enabling companies to embrace a comprehensive approach to sustainability reporting. This approach will ensure alignment with industry-specific imperatives and stakeholder anticipations while fostering transparency, trust, and resilience amidst the dynamic landscape and evolving sustainability.

PROGRAMME OBJECTIVE

This programme will delve into diverse sustainability reporting frameworks and how organisations could align their sustainability reporting with the broader sustainability agenda.

LEARNING OUTCOMES

Upon completion of this programme, participants will be able to:

1. recognise the significance of sustainability reporting and how transparent reporting practices can enhance business competitiveness and advantage
2. describe the criteria and essential requirements outlined in the Bursa Malaysia Sustainability Reporting Guide
3. explain the reporting obligations stipulated by the International Financial Reporting Standards (IFRS) and its alignment and coherence with the Task Force on Climate-related Financial Disclosures (TCFD)
