STUDY OUTLINE

MODULE 6: MALAYSIAN STOCK MARKET & SECURITIES LAW

This examination is designed to test a candidate's knowledge and understanding of the rules and regulations governing the Malaysian equity market. It is one of the examinations to be passed by individuals who:

- (1) intend to apply for a Capital Market Services Representative's Licence (CMSRL) to carry on the regulated activity of dealing in securities;
or
- (2) intend to hold the following positions in a firm which is a holder of a Capital Markets Services Licence (CMSL), for carrying on the business of dealing in securities:
 - Head of Operations
 - Head of Compliance
 - Compliance Officer;or
- (3) intend to be employees of registered persons who carry out the capital markets activities as stipulated in Item 1 of Part 1 of Schedule 4 of the Capital Markets and Services Act 2007.

Candidates are advised to refer to the Licensing Handbook for the detailed combination of examinations required for each regulated activity.

Candidates are expected to possess good knowledge and understanding of the subject matter provided in this study outline and specified references. In addition, candidates will be tested on their ability to analyse and apply the information at a basic level. It is estimated that this module will require a minimum of 80 hours of study time. Candidates may need less or more study time depending on the candidate's educational background and work experience.

Candidates are expected to update themselves with the latest developments in this examination as all questions will be continuously updated to reflect these changes. Candidates are permitted to refer to their own prescribed reference materials during the examination. Note that no prescribed reference materials will be provided by the Securities Industry Development Corporation (SIDC). The prescribed reference materials brought into the examination by candidates are subject to the terms and conditions of SIDC, details of which are set out in the terms and conditions of the SC's licensing examination.

Candidates are required to comply with the terms and conditions of the SC's licensing examination. Severe penalties will be taken against candidates for any misconduct during the examination.

At the end of this study outline are 5 sample questions of various formats used in the Module 6 examination. The samples provided do not in any way reflect the level of difficulty or the subject-matter distribution of the actual examination. They are merely intended to familiarise candidates with the styles of multiple-choice questions used in the examination.
